

SECURA BLACK

A BLANKET SPECIALLY DESIGNED FOR SECURITY PRINTING, BANKNOTES & SPECIAL APPLICATIONS

The Product

M Tech SECURA BLACK is a Sophisticated Blanket developed for Security Printing, Banknote Printing, Hot-foil & Cold-foil Embossing as well as Sheetfed Gravure Printing application.

Features

- No electrostatic behaviour during foil applications.
- Has a highly abrasion-proof surface and is ink repellent.
- Highly resistant against printing chemicals, acetone, oil, etc.
- Highly resistant against high temperature and pressure.

User Guidelines

- Make sure that the blanket is cut in right angle.
- The Blankets should be properly edge sealed.
- Check the blanket thickness from 3 different positions.
- Mount the blanket as per OEM Torque settings using a Torque wrench.
